but cosmetics need nature.

Delivery program

December 2024

## About the content

How are you?

You just hold the new version of our delivery program in your hands. We are pleased that you find the time to catch up on our products. Gladly we introduce our company GfN GmbH, the employees and our product portfolio to you.

The following delivery program gives an overview of our actives in alphabetical order together with efficacies. In a second overview all actives are sorted by application. This structure should help to find an effective solution for realization of your product concepts in a short time. In addition to the product descriptions given in this delivery program we are offering on request detailed

information about properties, efficacies, specification, toxicology and origin of each product. A phone call or an email is very welcomed!

You can also find important information on our website [www.gfn-selco.de](http://www.gfn-selco.de).

Your GfN-Team

**Nature needs no cosmetics,  
but cosmetics need nature.**

## GfN-company profile

<b>Foundation</b>	1983 by Heidrun and Helmut Lindner in Hammelbach / Odenwald in Germany
<b>Location</b>	Wald-Michelbach / Odenwald, close to Heidelberg
<b>Product line</b>	high quality plant derived actives, polysaccharides, rheological modifiers, radical scavengers and antioxidants, metabolic activators, native collagen- and elastin-solutions
<b>New management</b>	1996 by Michèle Lindner
<b>DIN ISO</b>	certification conform to DIN ISO 9001:2015 since June 2016
<b>Company extension</b>	1997 foundation of commercial firm Selco GmbH 2021 foundation of firm KBM GmbH
<b>Company rebuilding</b>	2013 purchase and modernisation of both company buildings
<b>Distribution</b>	worldwide

## Important to us

For a successful cooperation following aspects are important to us:

- A comprehensive **documentation** according to the current version of the **European Cosmetic directive**:
  - product information
  - efficacy tests
  - toxicological profiles
  - extensive statements about ingredients
  - BSE / TSE evaluation
- **High flexibility** in all parts of the company
- **Customer oriented service** and highly motivated, qualified staff
- **Fast and reliable execution** of your requests
- **Quick response** to your needs and the requirements of the market
- Realisation of your special **product requirements**:
  - approval according to COSMOS, ECOCERT or NaTrue standards
  - stabilisation of products with raw materials, which have not to be declared as preservatives according to the cosmetic regulation
  - worldwide accepted preservative systems
  - innovative marketing concepts, with a strong trend to natural cosmetics

Nature needs no cosmetics,  
but cosmetics need nature.

<b>Konjac Mannan 1.0 SP PHE</b>  Mat.No. 2039	Aqua, Glucomannan or Amorphophallus Konjac Root Extract  <b>Preservative:</b> Phenoxyethanol: 0.85 %  <b>Stabilizer:</b> none	nearly clear to opaque, strong viscous solution with a slight smell	water soluble	1 - 20 %	<ul style="list-style-type: none"> <li>• low cost glucomannan solution obtained from the Asiatic tuber Amorphophallus Konjac</li> <li>• min. 0.75 % polysaccharides</li> <li>• natural thickener and viscosity enhancer</li> <li>• improves skin hydration</li> <li>• forms a protective film on the skin</li> <li>• can be worked in up to 90°C</li> <li>• shows high pH-stability (2 - 7)</li> <li>• free of parabens</li> </ul>
<b>Konjac Mannan gel powder</b>  Mat.No. 2034	Glucomannan or Amorphophallus Konjac Root Extract  <b>Preservative:</b> none  <b>Stabilizer:</b> none	white to cream white powder with a typical smell	water soluble	0.05 -1.2 %	<ul style="list-style-type: none"> <li>• glucomannan obtained from the Asiatic tuber Amorphophallus Konjac</li> <li>• natural thickener, viscosity enhancer</li> <li>• forms gels with other natural thickener Carrageenan (synergistic effect) without sticky effect</li> <li>• improves skin hydration</li> <li>• forms a protective film on the skin</li> <li>• shows high pH-stability (2 - 7)</li> <li>• COSMOS approved</li> <li>• NATRUE certified</li> </ul>
<b>Linseed Extract NP</b>  Mat.No. 6022	Linum Usitatissimum Seed Extract  <b>Preservative:</b> none  <b>Stabilizer:</b> natural Phenylethylalcohol: 1.0 %	slight viscous, light yellow to slight brownish solution with a typical smell	water soluble	2 - 5 %	<ul style="list-style-type: none"> <li>• aqueous extract from 5 % organic linseeds</li> <li>• contains min. 0.30 % polysaccharides</li> <li>• improves skin hydration</li> <li>• enhances wound healing</li> <li>• gives a silky skin feel</li> <li>• non preserved</li> <li>• COSMOS approved</li> <li>• NATRUE certified</li> </ul>
<b>Omega-CH-Activator®</b>  Mat.No. 3001	Aqua, Panthenol, Glycerin, Glycine, Sorbitol, Hydrolyzed Soy Protein, Bis(Tripeptide-1) Copper Acetate  <b>Preservative:</b> Sodium Methylparaben: 0.1 % Phenoxyethanol: 0.158 % Methylparaben: 0.035 % Ethylparaben: 0.018 % Propylparaben: 0.009 %  <b>Stabilizer:</b> none	clear, slight yellow solution with a typical smell	water soluble	0.8 - 5 %	<ul style="list-style-type: none"> <li>• mixture of amino acids, free radical scavengers and peptides</li> <li>• acts as a moisturizer</li> <li>• enhances cell viability</li> <li>• accelerates wound healing and cell proliferation</li> <li>• acts as an antioxidant</li> <li>• reduces wrinkles and fine lines</li> <li>• minimizes scar tissue</li> <li>• enhances skin thickness</li> <li>• reduces environmental skin damages</li> <li>• enhances hair growth</li> <li>• remodels the skin</li> <li>• enhances Collagen expression</li> </ul>

Productname	INCI- Name	Appearance	Solubility	Use concentration	Benefits
<p><b>Omega-CH-Activator® F</b></p> <p>Mat.No. 3003</p>	<p>Aqua, Panthenol, Glycerin, Glycine, Sorbitol, Hydrolyzed Soy Protein, Bis(Tripeptide-1) Copper Acetate or Copper Tripeptide-1</p> <p><b>Preservative:</b> none</p> <p><b>Stabilizer:</b> Citric Acid: 0.2-1.0 %</p>	<p>clear, slight yellow solution with a typical smell</p>	<p>water soluble</p>	<p>0.8 - 5 %</p>	<ul style="list-style-type: none"> <li>• mixture of amino acids, free radical scavengers and peptides</li> <li>• acts as a moisturizer</li> <li>• enhances cell viability</li> <li>• accelerates wound healing and cell proliferation</li> <li>• acts as an antioxidant</li> <li>• reduces wrinkles and fine lines</li> <li>• minimizes scar tissue</li> <li>• enhances skin thickness</li> <li>• reduces environmental skin damages</li> <li>• enhances hair growth</li> <li>• remodels the skin</li> <li>• enhances Collagen expression</li> <li>• non preserved</li> </ul>
<p><b>Omega-CHS-Activator</b></p> <p>Mat.No. 3002</p>	<p>Aqua, Panthenol, Glycine, Glycerin, PEG-400, Mannitol, Tromethamine, Glutamic Acid, Arginine HCl, Alanine, Aspartic Acid, Lysine Hydrochloride, Leucine, Valine, Citric Acid, Isopropyl Alcohol, Sodium Lactate, Sorbitol, Glucose, Phenylalanine, Isoleucine, Tyrosine, Histidine Hydrochloride, Hydrolyzed Soy Protein, Bis(Tripeptide-1) Copper Acetate</p> <p><b>Preservative:</b> Sodium Methylparaben: 0.1 % Phenoxyethanol: 0.158 % Methylparaben: 0.035 % Ethylparaben: 0.018 % Propylparaben: 0.009 %</p> <p><b>Stabilizer:</b> Citric Acid: 0.2-1.0 % Sodium Lactate: 0.2-1.0 % Sorbitol: 0.2-1.0 % Isopropanol: 0.2-1.0 %</p>	<p>slightly yellow to amber solution with a typical smell</p>	<p>water soluble</p>	<p>0.8 - 5 %</p>	<ul style="list-style-type: none"> <li>• mixture of amino acids, free radical scavengers and peptides</li> <li>• acts as a moisturizer</li> <li>• enhances cell viability</li> <li>• accelerates wound healing and cell proliferation</li> <li>• acts as an antioxidant</li> <li>• reduces wrinkles and fine lines</li> <li>• minimizes scar tissue</li> <li>• enhances skin thickness</li> <li>• reduces environmental skin damages</li> <li>• enhances hair growth</li> <li>• remodels the skin</li> <li>• enhances Collagen expression</li> </ul>

Productname	INCI- Name	Appearance	Solubility	Use concentration	Benefits
<b>Omega-CHS-Activator F</b>  Mat.No. 3008	Aqua, Panthenol, Glycine, Glycerin, PEG-400, Mannitol, Tromethamine, Glutamic Acid, Arginine HCl, Alanine, Aspartic Acid, Lysine HCl, Leucine, Valine, Sorbitol, Glucose, Phenylalanine, Isoleucine, Tyrosine, Histidine HCl, Hydrolyzed Soy Protein, Bis(Tripeptide-1) Copper Acetate or Copper Tripeptide-1  <b>Preservative:</b> none  <b>Stabilizer:</b> Citric Acid: 0.2 - 1.0 % Sodium Lactate: 0.2 - 1.0 % Isopropanol: 0.2 - 1.0 %	slight yellow to amber clear solution	water soluble	0.8 - 5 %	<ul style="list-style-type: none"> <li>• mixture of amino acids, free radical scavengers and peptides</li> <li>• acts as a moisturizer</li> <li>• enhances cell viability</li> <li>• accelerates wound healing and cell proliferation</li> <li>• acts as an antioxidant</li> <li>• reduces wrinkles and fine lines</li> <li>• minimizes scar tissue</li> <li>• enhances skin thickness</li> <li>• reduces environmental skin damages</li> <li>• enhances hair growth</li> <li>• remodels the skin</li> <li>• enhances Collagen expression</li> <li>• non preserved</li> </ul>
<b>16</b>  <b>Omega-CTP-Active PHE</b>  Mat.No. 2999	Aqua, Glycerin, Arginine, Panthenol, Proline, Sorbitol, Glycine, Hydrolyzed Soy Protein, Bis(Tripeptide-1) Copper Acetate or Copper Tripeptide-1  <b>Preservative:</b> Phenoxyethanol: 0.8 %  <b>Stabilizer:</b> none	clear, slight yellow solution with a typical smell	water soluble	1 - 5 %	<ul style="list-style-type: none"> <li>• mixture of amino acids, free radical scavengers and peptides</li> <li>• acts as a moisturizer</li> <li>• enhances cell viability</li> <li>• accelerates wound healing and cell proliferation</li> <li>• acts as an antioxidant</li> <li>• reduces wrinkles and fine lines</li> <li>• minimizes scar tissue</li> <li>• enhances skin thickness</li> <li>• reduces environmental skin damages</li> <li>• enhances hair growth</li> <li>• remodels the skin</li> <li>• free of parabens</li> </ul>
<b>NEW</b>  <b>Omega Hair &amp; Skin</b>  Mat.No. 2998	Aqua, Sodium PCA, Sodium Lactate, Arginine, Aspartic Acid, PCA, Glycine, Alanine, Serine, Valine, Proline, Threonine, Isoleucine, Phenylalanine, Histidine  <b>Preservative:</b> none  <b>Stabilizer:</b> none	clear, slight yellow solution with a typical smell	water soluble	1 - 5 %	<ul style="list-style-type: none"> <li>• water-soluble amino acid blend modeled after the protein composition of the Cell Membrane Complex (CMC)</li> <li>• mixture of amino acids, PCA and sodium lactate, entirely of plant or synthetic origin</li> <li>• acts as a moisturizer</li> <li>• acts as a hair conditioner</li> <li>• increases hair surface hydrophobicity</li> <li>• provides color retention to dyed hair</li> <li>• increases hair shine</li> <li>• improves dry and wet feel of hair (combability and smoothness)</li> <li>• improves the tensile strength of wet hair</li> <li>• reduces wrinkles and fine lines of the skin</li> </ul>

Productname	INCI- Name	Appearance	Solubility	Use concentration	Benefits
<p><b>Quince Extract</b> 2.5 % NP</p> <p>Mat.No. 6021</p>	<p>Pyrus Cydonia Seed Extract</p> <p><b>Preservative:</b> none</p> <p><b>Stabilizer:</b> Natural Phenylethylalcohol: 1.0 %</p>	<p>slight brownish, viscous solution with a typical, fruity smell</p>	<p>water soluble</p>	<p>4 - 20 %</p>	<ul style="list-style-type: none"> <li>• aqueous extract of 2.5 % quince seeds</li> <li>• min. 0.25 % polysaccharides</li> <li>• improves skin hydration</li> <li>• reduces inflammations (IL-6 production)</li> <li>• shows good pH-stability (3 - 12)</li> <li>• non preserved</li> <li>• COSMOS approved</li> <li>• NATRUE certified</li> </ul>
<p><b>Sabal Serrulata lipophilic</b></p> <p>Mat.No. 5053</p>	<p>Serenoa Serrulata Fruit Extract</p> <p><b>Preservative:</b> none</p> <p><b>Stabilizer:</b> Tocopherol: 0.2 %</p>	<p>clear to slight opaque, green to yellow colored solution with a typical smell</p>	<p>oil soluble</p>	<p>0.5 - 5 %</p>	<ul style="list-style-type: none"> <li>• lipophilic extract from Sabal Serenoa nuts</li> <li>• min. 2 % phytosterols</li> <li>• contains free fatty acids</li> <li>• reduces inflammations (IL-6 production)</li> <li>• shows an enormous effect on regenerating the skin barrier function</li> <li>• cares dry and itchy skin</li> <li>• brings shine on hair</li> <li>• COSMOS approved</li> <li>• NATRUE certified</li> </ul>
